

NORTH AMERICAN JR YOUNG RIDER CHAMPIONSHIPS

Young Riders train throughout the year, hoping to qualify for the opportunity to represent our country and the USEA Area IV region in international competition!

UNITED STATES EVENTING ASSOCIATION AREA IV YOUNG RIDERS

USEA Young Riders is the development program for future international competitors in the Olympic Equestrian Sports. Every summer, the best riders in North America (United States, Canada, Mexico, Puerto Rico, and the Caribbean Islands), age 14 to 21, and their mounts are selected from each region to compete in the North American Junior & Young Riders Championships. Competition is held under rules of the Federation Equestre Internationale. NAJYRC is the only FEI Championship held annually on this continent.

Eventing is the equestrian version of a triathlon, featuring dressage, cross-country jumping, and show jumping. Training is rigorous in three specific disciplines. Much Young Rider emphasis is on education through competition, clinics, and camp. Following team selection, the cost for sending Area IV teams, coaches, grooms, equipment, and horses to the NAJYRC is in excess of \$50,000.

Teams work hard to fundraise, but direct contributions are our primary source of funding. If you can, we ask for your financial support to send our teams back to the Championships. All donations are greatly appreciated. The following websites provide more information on the North American Junior & Young Riders Championships:
